

Quick Installation Guide

IMPORTANT SAFETY INFORMATION

Caution: Do not use device if there is obvious damage.

Warning: Choking hazard. This device is not a toy. Keep away from children.

Important Instructions Before Use

1. Device should only be used for the intended purpose as outlined in the instructions.
2. Do not expose device to moisture or extreme heat.
3. Do not submerge device underwater. Do not expose to liquid, smoke, or steam.
4. Put cap back on HDMI connector when not in use to avoid damage.

Package Contents:

- 1 Remote x 1
- 2 TVSurf 4K Stick x 1
- 3 IR receiver cable x 1
- 4 HDMI extender cable x 1
- 5 Micro USB cable x 1
- 6 Power adapter x 1
- 7 User manual x 1

Installation Steps:

1. Connect one end of the micro-USB cable into your TVSurf 4K Stick and the other end into the power adapter.
2. Plug your TVSurf 4K Stick into the HDMI port on your TV, then plug the power adapter into a nearby outlet.
3. Turn on your TV, then select the appropriate HDMI input.
4. For 4K streaming, connect the TV Stick to an HDMI HDCP 2.2 port on your 4K TV.

Use the included HDMI extender to improve Wi-Fi and remote performance, or if you have trouble fitting your TVSurf Stick 4K into an HDMI port on your TV.

Power up your Remote

1. Open the back of the remote and insert 2 AAA batteries (not included in the package).

2. Follow the on-screen instructions to control the power and volume of your TV.

Complete the on-screen setup

Using your Remote, follow the on-screen instructions.

- Choose your language from the list.
- Select your Wi-Fi network from the networks displayed on the screen.

Note: If your WiFi network is password protected, have your WiFi network password handy to connect your TVSurf 4K Stick to the internet. If your network is hidden, select the "Join Other Network" title from the list. If required, enter your network password using the on-screen keyboard.

Tips and Troubleshooting

WiFi

- Use the 5GHz band on your wireless router if available for best WiFi performance.
- If you see a lock icon, your WiFi network requires a password, so make sure you have it available.
- Ensure your Internet is working properly. Restarting your router and modem will solve most WiFi issues.
- Do not place your wireless router or TVSurf 4K Stick in a cabinet, as it may impact WiFi signal strength.
- Some WiFi issues may be improved by connecting the included HDMI extender.

Technical Specifications
